

NORTH SEA PORT PAX+RORO CONFERENCE

IJMUIDEN • 11 OCTOBER • 2007

NORTH SEA PORT PASSENGER AND FERRY CONFERENCE 2007

- During the last few years, the ferry and cruise traffic on the North Sea has increased dramatically.
- At the same time the European Union is trying to cure the traffic infarct on the European motorways by stimulating the use of “The Motorways of the Seas”.
- Very important players in the North Sea shipping industry future are the sea ports, with their capacity and facility development.
- The port of IJmuiden, Zeehaven and the port operator KVSA are hosting a one day conference, supported by Bo-Lennart Thorbjörnsson - BOLT CONSULTING.

THE CONFERENCE IDEA AND TOPICS.

- Commercial development on the North Sea in the next three years.
- Experienced industry and political speakers.
 - Peder Gellert - VP DFDS TOR LINE
 - Gualtiero Togneri - MSC Cruises
 - Christophe Mathieu & Francois Potier - Brittany Ferries
- Time for interactive panel debate.
- Networking with industry colleagues.
